SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT
UNDER 37 C.F.R. § 1.97(b)

Pursuant to 37 C.F.R. §§ 1.56 and 1.97(b), Applicants bring to the attention of the Examiner the documents on the attached listing. To the knowledge of the undersigned, this Supplemental Information Disclosure Statement (Supplemental IDS) is being filed before the mailing date of a first Office Action on the merits in the above-referenced application. This Supplemental IDS is being filed in addition to the Information Disclosure Statements filed on November 6, 2003 and January 30, 2004.

The documents listed in this Supplemental IDS were first cited in a Notification Of Reasons For Rejection In The First Examination ("Notification") from the Japanese Patent Office in a counterpart foreign patent application, and this Information Disclosure Statement is being filed within three months of the mailing date of the Notification.

In lieu of a statement of relevance or translation of the non-English documents, an English language version of the Notification citing these documents and setting forth the relevance thereof is enclosed. Applicants do not necessarily endorse the conclusions set forth in the Notification. A copy of the Notification is also enclosed for the Examiner's convenience.

An English language abstract of Japanese Patent Application Kokai Pub. No. 2001-330964 is also enclosed.

Copies of the listed documents are attached. Applicants respectfully request that the Examiner consider the listed documents and indicate that they were considered by making appropriate notations on the attached form.

This submission does not represent that a search has been made or that no better art exists, and does not constitute an admission that each or all of the listed documents are material or constitute "prior art." If the Examiner applies any of the documents as prior art against any claim in the application and Applicants determine that the cited documents do not constitute "prior art" under United States law, Applicants reserve the right to present to the Office the relevant facts and law regarding the appropriate status of such documents.

Applicants further reserve the right to take appropriate action to establish the patentability of the disclosed invention over the listed documents, should one or more of the documents be applied against the claims of the present application.

If there is any fee due in connection with the filing of this Statement, please charge the fee to our Deposit Account No. 06-0916.

Respectfully submitted,

FINNEGAN, HENDERSON, FARABOW,
GARRETT & DUNNER, L.L.P.
